FARNAM LURE'EM II FLY ATTRACTANT

Farnam Lure'em II Fly Attractant contains muscalure, a fly sex attractant known for its ability to attract house flies.

DIRECTIONS FOR USE

Not for use in conjunction with fly bait products containing (Z)-9-Tricosene. For products not containing (Z)-9-Tricosene, scatter Lure'em II over treated area in a volume equal to the fly bait in use, but not in excess of 1/4 lb. per 500 square feet. Use Lure'em II in and around loafing sheds, livestock pens, pig parlors, stables, broiler houses, dog kennels and furbearing animal units. Also use in inedible areas of food, poultry, and meat processing plants.

To use in electric fly traps, first unplug trap. Then place enough attractant in catch tray to cover bottom. Replace attractant weekly or when tray is emptied.

GENERAL CLASSIFICATION

It is a violation of Federal law to use this product in a manner inconsistent with its labelling.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Keep out of reach of children.

DISPOSAL

Do not reuse empty container.
Destroy it by crushing and throw in trash.
